

WorldForge Founder's Library

Founder's Goal

To create the world's most comprehensive interactive encyclopedia, museum, library, classroom, creative studio, and exploration platform—connecting history, science, nature, culture, literature, technology, art, and licensed fictional worlds into a single, living knowledge ecosystem that inspires curiosity, creativity, lifelong learning, and respect for our shared human heritage.

Core Principles

- Preserve knowledge.
- Connect knowledge.
- Inspire creativity.
- Celebrate storytelling.
- Support lifelong learning.
- Design for accessibility.
- Respect creators, cultures, history, and science.
- Maintain a Living Encyclopedia with version history and addenda.

Founder's Oath

We explore with curiosity.
We learn with humility.
We create with imagination.
We preserve with responsibility.
We share with respect.
